

THE WORLD'S #1 FABLESS FLASH MEMORY PROVIDER

GigaDevice is the #1 SPI NOR FLASH® supplier in China and #2 worldwide, with the shipment of over 23.7 billion units since its inception. The Flash product portfolio consists of leading products:

- Automotive Grade SPI NOR Flash
- High performance quad & octal SPI NOR flash
- Ultra-low power, wide Vcc SPI NOR Flash
- SPI NOR Flash Memory
- WLCSP package
- 38nm SLC NAND Flash with mature Technology
- Advanced Technology 24nm SLC NAND Flash
